Hello I possess 15+ years experience in Early Childhood Development and I offer 24 hr availability childcare in my home which is a smoke free environment. I am located in Southside Richmond.

I not only babysit I tutor, teach mannerism skills, and creative arts which are all essential to a child's learning abilities. I love children and I do what it takes to ensure they have a fun-filled childhood while learning life's lessons.

(No need to pack lunches I provide both food and snacks for your child). I give daily reports of your child's activities & offer the lowest rates while offering outstanding service guaranteed !

So feel free to give me a call (be sure to leave a message with a contact number) and put your childcare worries behind you. Services provided for children ages NEWBORN-15yrs of age. If you don't need weekly childcare that's NOT a problem I am here whenever you need for whatever reason it may be. I look forward to hearing from you soon. I also have experience dealing with children with ADHD, Autism, and other disabilities.

I have excellent references and obtain a great work ethic. I will work with your needs in a safe and loving.
