

# Tama Iron Cobra Limited Edition Chrome Double Pedal amp Case (250 USD)

Up for sale is my beautiful used TAMA HP900PC Iron Cobra in limited all chrome finish.

These pedals were limited and are now rather sought after. Here is your chance on a great limited model Iron Cobra. In terms of condition, the pedal does show some wear but still has the wonderful feel and finish. After gigging for a while, I just put it away. It could use a good cleaning and oiling.

The original hard case is included and does show wear with scratches and dents to the top.

You won't find any of the double-kick "Chromebras" on Ebay. In fact, someone is asking \$200 for a single.

Because it has some cosmetic wear, I'll let this one go for \$250.

Pick it up now before I put it on!
