Targus Tripod 66 (20 USD)

Location Arizona

Gen Classificats.com

https://www.genclassifieds.com/x-504006-z

The Targus Tripod with Three-Way Panhead is designed to stabilize most digital cameras and camcorders and is great for photographer of all levels of experience. The tripod features a quick-release plate that makes it a breeze to switch from handheld shooting to tripod and back again. The tripod can extend to a height of 66 inches when in use and folds away to 17" for easy storage.

Comes with caring.
