Due to medical reasons I need to give away my cat.
Gaige is about two years old, female, and probably the chilliest cat I've ever met. Random strangers can pick her up and she won't claw or scratch and even actively seems to avoid it. She's pretty lovable (for a cat).
I've got a crate, food, litter and box, scratching post, and obviously bowls to whoever wants her.
I currently live in Sandy Springs and I'm willing to meet the person.
Please no 'you should find a way to keep your cat' messages, I KNOW already. I've been beating myself up since.
