 XTREME GREEN GRASS LAWN PAINTING PROFESSIONALS

We are the #1 Lawn Painting Company in California

We will give you Instant results and transform your yellow or brown lawn into a Perfect Green Lawn right on the spot.

You get Instant Miracle Results for a very Reasonable price.

Lawn Painting is a much cheaper alternative to sodding, fertilizing and planting grass seeds.

We use the same organic, non-toxic colorant that has been used for decades at Professional Sports Stadiums

Our grass paint is the best on the market.

It looks incredibly natural and is completely water proof, it will not wash away when it rains and it will not fade in harsh sun.

We use the highest quality lawn paint that is completely harmless for kids, pets, and
 is 100% beneficial to your lawn itself.
 Our new paint is odor free and safe for the environment.
 Once your lawn has been painted, you will no longer need to water constantly.
 We give you a 100% guarantee and provide you with most of the natural resources you need.
 Xtreme Green Grass Lawn Painting offers a simple solution to beautifying your lawn.

We keep your grass perfect all year round.
 You will be amazed with the results.
