Wassup to anyone reading this!

I'm looking for a group of 3 ravers that will be attending Nocturnal Wonderland SoCal 2015 (arriving Thursday, September 3, 2015, leaving the venue the 7th, Monday) and interested in camping, as there will be camping at the festival.

A group of friends & I (5) will be camping there and are in search of anyone who would be down to camp with us so that the cost each individual has to put down for the campsite would be cheaper !

Assuming there's 8 of us in total, each person would have to put down roughly \$63 for the campsite.

I'm not sure if anyone will respond to this, much less read it, but if you might be interested please do reply !

I know looking for people to camp with on Craigslist is kinda weird, but we could definitely all hang out a few times before the actual event to get to know one another atleast a little bit.

So yea,!
