Hello my name is Tyler Sanchez , I am currently seeking for help to make my family's dream come true! I am one of 9 kids I hope to send on a trip to a life time to Florida our first and only as a family. The reason I'm asking for help is because my dad is sick and he will no longer be with us due to MS in his brain . And my brothers and sisters are most likely to get lost in the system.

I was saving up money until I got in a car accident and had to by a new car , I'm running out of time! I am trying to save up \$8500 to send 9 of us plus my fiancÃ©, daughter, mom and dad

For any one that is wondering there in a long story to our life like any one. And if you would like to here I would love to share it. Please and thanks for the help we will al greatly appreciate it.

You can also type this URL in the search bar to donate to our fundraiser page thank you so much!
