Host our Tiny House

Location Alaska https://www.genclassifieds.com/x-504333-z

Hello!

We need a new place to park! Our tiny house would fit in almost any size yard. We are a young married couple looking for a place to stay for couple months, we plan on leaving the state in fall and need a temporary location.

If you think you'd be willing to help us out contact us today and we can meet, we will be willing arrange a rent price or work trade!

Thank you for your:)
