Have you had an interested in modeling but didn't know how to start? I can help you I'm a photographer in the Atlanta area and I'm looking for amateur women to model lingerie - any age, race or body type will be considered. It's a great way to get discovered and started in the modeling industry. For \$ 50.00 I can help you with your portfolio and get you headed in the right direction for paid modeling gigs. When you reply to this ad in the email we need you to have your height/weight measurements also have 1 head shot and 3 full body shots and any questions you have. Please put the word Lingerie in the subject so I know you're real. (You must have transportation to the shoot) Thank.
