I'm selling my Honda CR125. This bike is bad ass! Brand new topend and bottomend not even 1 hour on it. it's a really fast bike! I use it for trail riding. It climbs anything you throw at it!

Upgrades

- FMF fatty pipe gold series's
- takasago excel rear rim
- pro circuit silencer
- new brake line
- new clutch
- new sprocket

I'm probably forgetting more. I want to trade it for a 250 four stroke or 450 four stroke let me know what you got. Priced to sell! A lot of money invested into this bike but I know I'm not going to get what I want. \$1,700 might negotiate the price. Text me at NO low BALLERS! And don't offer trade for junk! Or something older than my.
