One day, Sunday June 14th, starting at 8am until I get bored. These are clean, well kept boys' clothes and good brands. Children's Place, Gap, Arrow, Old Navy and more. Jeans, dress pants, Hawaiian Shirts, tees, sweaters, fleece, etc.... Get ready for back to school and SAVE money now. I have 3 winter coats up to size 10. Winter boots. Snow/ski bibs. Leather cowboy boots from Rockmount Western Store, worn on one dude ranch vacation, still in the box. Also have lots of TOYS, cars, educational items, Hooked on French, tons of BOOKS. Sure I would like it all gone, but lets be real, I want to make some money on it too before giving it away. This is a win win situation.

Ladies' clothes size 14-16.
