I have 2 male and 2 female large mix breed puppies that need a good home. They were born on April 28th. The mom is a rott/hound mix and dad is boxer/pitt mix. They have been raised and handled in a family of 6 children and others children i care for daily. They will have the first dose of dewormer and 1st set of puppy shots. They will be very loving, loyal, protective, and playful. Remember that they will also be very large dogs who need exercise and attention. Serious inquiries only. In hopes of finding a good forever home, I am asking a \$40 re-home fee. No holds. Pick up will be Sat. June 13th. Contact me for a time. Sorry about the delay since last posting. Thanks and God.
