I HAVE 3 MALE NEUTERED KITTENS. THEY ARE 6 ALMOST 7 WEEKS OLD. FIRST IS CREAM, SECOND IS BLACK, THIRD IS GREY TABBY. ALL 3 ARE SUPER FRIENDLY, LOVE TO BE HELD, KISSED AND LOVED ON. I HAVE BEEN BOTTLE RAISING THEM FOR THE LAST SEVERAL WEEKS. THEY ARE TOTAL SWEET HEARTS THAT LOVE TO PLAY AND FOLLOW YOU EVERYWHERE. THESE GUYS START PURRING AS SOON AS YOU TOUCH THEM.

THEY ARE EATING WET CANNED FOOD WITH MILK OVER IT REALLY WELL, AND ARE STARTING TO EAT DRY SCIENCE DIET FOOD. THEY ARE BUG AND FLEA FREE AND INSIDE ONLY. I PREFER THEM TO GO TO AN INSIDE ONLY HOME. I'M IN BERRYVILLE, BUT WOULD CONSIDER DELIVERING THEM TO FAYETTEVILLE ONE DAY THIS WEEK. THEY HAVE BEEN NEUTERED, DEWORMED, AND ARE HEALTHY. (THEY HAVE NOT HAD ANY SHOTS).
