I have 10 Ac just west of Chester Ar. About 25 mi north of Ft Smith. It joins the paved road and a beautiful river. I'm willing to owner finance it with as little as \$5000 down ( we can do some trading on this , vehicle , other land , guns most anything of value ) and payments can be as low as low as \$465 a month or I'll give a 10% discount for cash.Starting price only
