Looking for an attractive female to provide me with a full body massage. I would prefer a topless massage, however I am not looking for anything beyond a massage. At least a 1 hour massage, possibly longer. Willing to pay \$80 an hour, but the price is negotiable. Please message me if you're interested and would like to talk more. Also, attach a picture with your reply. I do live at the Breakers Resorts in Denver and I can host. Hoping to receive a massage on Sunday, at the latest on Monday.

If you are wondering I am a 6', Caucasian male, one tattoo, and in.
