I'm looking for assistance on Friday June 19th and June 20th. I think 8 hours each day with potential for a few extra hours including Sunday.

Specifically:

Touch up painting
 Line trim 1 acre
 Install French drain
 Build Playground
 Haul cut lumber
 Cut lumber
 Clean gutters
 Build railing on deck
 Haul and install rock wall
 Haul landscape material
 Build garden beds

I'm looking for hard workers that do not require minute by minute supervision. These will be full days of work. Must be 18+ (if under 18 your parents must drop you off on the first day). Must have own transportation to Conifer. I'm looking for fast strong workers - if we finish early there are few more projects as well. I'd prefer 2 or 3 guys from a single crew but will consider individuals as well.

I'm willing to pay \$10 per person per hour.

No alcohol or drugs
