

Yard Clean Up and Landscape (Conifer)

Location **Colorado**
<https://www.genclassifieds.com/x-504571-z>

I'm looking for assistance on Friday June 19th and June 20th. I think 8 hours each day with potential for a few extra hours including Sunday.

Specifically:

- Touch up painting
- Line trim 1 acre
- Install French drain
- Build Playground
- Haul cut lumber
- Cut lumber
- Clean gutters
- Build railing on deck
- Haul and install rock wall
- Haul landscape material
- Build garden beds

I'm looking for hard workers that do not require minute by minute supervision. These will be full days of work. Must be 18+ (if under 18 your parents must drop you off on the first day). Must have own transportation to Conifer. I'm looking for fast strong workers - if we finish early there are few more projects as well. I'd prefer 2 or 3 guys from a single crew but will consider individuals as well.

I'm willing to pay \$10 per person per hour.
