We are looking for a weekend commercial janitorial worker. Hours are Saturday and Sunday 8-3:30. We would prefer a man as the work can be strenuous such as moping stairwells. The work would include cleaning and maintaining lobby of a high end apartment complex in the middle of downtown as well as cleaning and maintaining stairwells, etc. We are looking to hire quickly for the right candidate. We prefer someone with commercial cleaning experience but will train the right person. Please call me to set up an interview or email me with a description of your experience. This is a part-time position not a.
