

Pistons and Rings

Location **Delaware** https://www.genclassifieds.com/x-504636-z

I bought these new back in the 80's, but NEVER used them.....

I am 98% sure they were for my Ford Pinto, although my wife had a Vega, but i am almost positive these were for my Ford Pinto, 4 cylinder pistons

Never used, so up for sale \$1750bo (was \$200 obo, price drop)

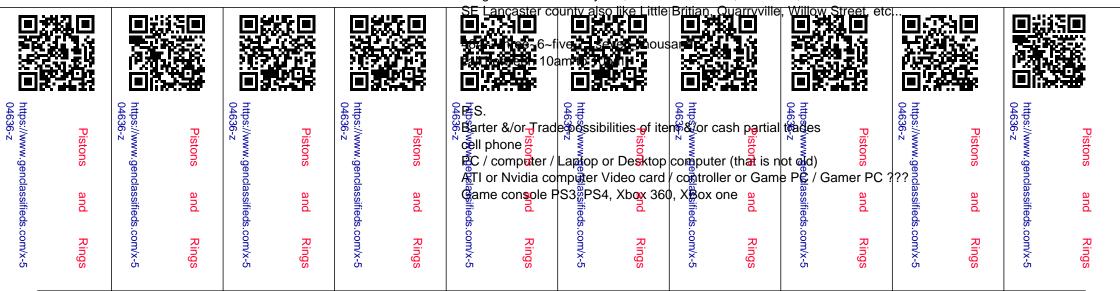

Sealed Power Corporation brand pistons - Muskegon, Michigan KromeX Piston Ring Set looks like the part number is #: 2379 P .030 M33 50

Looks like the Ring part number is 9341KX 0.75mm - KO-9341

Thank you
