

# looking for a young corgi to add to our family (wasilla)

After loosing our loving companion of 14 years, we are ready to start the search for a puppy or young dog. Would like a corgi or corgi mix. He or she would be loved for his or her whole life no matter what. We have kids who are very gentle and loving towards animals. The puppy will get to grow up in a farm type setting with goats and poultry.

We can not spend a large amount for a dog. But promise to always take him or her to the vet when needed for proper care and healthy food. Also, not looking to breed the pup. Only for a family companion.

Thank you for
