Please be on the lookout for a galaxy S5 16gb white with 32 gb external card. My phone was stolen today from tudor/defiance st area. Before you comment, phone location was turned off so google couldn't find my device, I did try to command it to ring but it didn't, I suspended the service, I put the words STOLEN PHONE TO RETURN PLEASE CALL and left a phone number on the screen. It was in a lilac otterbox defender.
