

Beautiful Regina is looking for a barn home (Howard County Cat Club)

Location **Maryland**
<https://www.genclassifieds.com/x-504721-z>

For eight years, Regina patrolled the streets of her neighborhood in Queens, NY, keeping her neighbors' yards rodent-free. A true community cat, she had many human friends who loved her. But it takes just one human to turn a cat's life inside out, and someone decided he didn't want Regina around. He took her to the Brooklyn shelter. She was lucky to get out alive. Regina's a nice cat who is best friends with people she knows. But napping in cat beds just isn't her style, and she longs to be a working cat again. Do you have a job for her in your barn? Just contact us, and we'll arrange an interview.

Regina is a bit unsure of humans at the moment, so she'd prefer someone who will let her become friends with them at her own pace. She will let some of the volunteers give her a quick pat but she's still learning to trust people again.

If you'd like more information or would like to meet Regina, please reply to this ad. Tell us a little bit about yourself, what pets you've owned in the past, and why you are interested in adopting.

Howard County Cat Club is a registered 501 (c)(3) nonprofit organization. Application and adoption fee apply. HCCC is a cage-free, all-volunteer based organization located in Columbia. Adoption fees are used for food, litter, veterinary care, vaccinations, and 'pull fees' needed to save more kitties from high-kill shelters. THANK YOU for your interest in rescue kitties!
