Not looking for Jobbers or money Grabber's this is not a cover band, so we are looking for someone who is creative, and can vibe jazz , funk, rock, blues, and gospel. We are playing regularly in Overland Park, and we are doing our own thing, and not the Club owner thing. So money is the blessings, we receive for sharing our gifts with others and loving what we do.. We are also looking to change the nature around here in Kansas City. Everybody is in survival mode, and the love for music seems far and in between, and originality is put a side for \$20-25 an hour. We rehearse, and take what we do serious, If money is your (only) goal then there are plenty of bands out there getting there hustle on. We rely on the blessings to do this, and I can say that we are truly blessed. Peace God blesses.
