Have you seen this sweet dog? Her name is Sadie and she is terrified to be outside of our house. She was last seen around 72nd street and N. Tracy in Gladstone and possibly by the Gladstone Police Station. So many people are out looking for her and trying to bring her home, we are all so very sad. She has a family that loves her and misses her very much.

She has a collar and a tag, but I'm afraid my phone number isn't updated on it and she is also micro-chipped but I don't think we ever registered it. Please call us if you see her anywhere!!
