other dogs of all different sizes, and one cat. She has been socialized and is good with kids as well.

Izzy is a super outgoing, energetic, and loveable dog! She is currently being fostered and lives with 14

Izzy is around 2 years old and is spayed. She loves to play fetch, and loves to cuddle. She would love a active home that would take her running, play fetch, go hiking or include her in any other type of fun. She is quite in the house, crate and house trained. As long as she gets walks she would be a great apartment dog.

Izzy is very responsive and respectful to humans. She knows basic commands: Sit, stay, come, fetch and does not destroy things in the house.

\$100 adoption fee to ensure a good home.
