Looking to hire a cement contractor to lay a new driveway, approach and sidewalk for a home I own in Clinton Township, MI. Must have own team and required equipment. Will be responsible for removing existing concrete, excavating earth, debri removal, grading, compacting, framing, and finishing new concrete.

Please email me at chrnor32 (...at...) yahoo (...dot...) com. Write "concrete" in subject line, a brief summary of your experience, and your contact information.

Would like entire project completed by end of June/early July. House is located in northern Clinton Township.
