Fido, weighing in at exactly ten lbs, is a water baby. He loves to play in the water when you water the plants. He jumps in the tub after a bath and plays in our fountain. He is just hilarious !

When he is done playing with toy mice he will drown the mouse !

Ginger is the sweet and shy kitten. She is more of night snuggler. She purrs often when she cuddles up to you. She is slow in letting you pick her up, yet sleeps on top of you ! As you can see in the picture.

Her fav toy is the string toy. She is FAST !

They were born Bastille Day ! 7~14~14

?Please call if you would like to meet these cuties ! ?
