Aloha I have a 1999 Honda Accord
 The car is all stock with no aftermarket parts
 It is 4 door factory painted white has A/C and leather interior also has a moonroof. The vehicle is registered and safetied till the end of the year. Car is very reliable and clean belongs to a nonsmoker. Interior is about a 6/10 just because cracks on some of the leather interior due to the Hawaii sun. The exterior is a 10/10 no dents or rust. Looking to trade for a 4Runner or Truck. Open to trades. Willing to sell make me an offer and we can work from there
