Hello! Two lovely folks here looking for a summer sublet, from July 1st-Sept 1st. We are in our mid-twenties, work together at a fantastic restaurant in Kenmore Square, and love to hang out with like-minded people. We share a passion for food and drink, work into the later parts of the evening. We are both wonderful cooks with a deep appreciation of the culinary arts, film, music and contemporary culture. We are stable, fun-loving adults with a desire to live with creative individuals who are mature but still laid-back and (responsibly) carefree.

Details include: a third floor apartment with lots of light in a brownstone style building, a spacious well-appointed kitchen, plenty of storage space, a large patio area... Gas, Electric, Cable (HBO!), and Internet Are Included In The Rent! We will have a furnished guest room for visitors, as well as a bed and furniture if desired for the incoming tenant.

Transportation: We have free street parking! Bus lines: 66,64,501,86,70. Red line and Green line.

We don't allow pets, we wish we could.

Please respond with details about yourself! Who are you? What are you all about? Do you have any questions for us?
 if you're interested, and we're interested, we can schedule a viewing of the apartment ASAP !
