Hi, I am a single mother of two teenage girls that is in desperate need of housing. Preferably In the Westland area because my girls go to John Glen high school. I recently went through an ugly divorce and our current living situation is not good for me or my girls. I am very responsible. I've been employed at a hospital for almost 2 years now and I clean houses during the day. I make plenty enough to pay my bills, Its just hard for me to save up for a security deposit. If there are any landlords out there who is willing to work with me with the security deposit it would be greatly appreciated. Either and a little bit extra to the rent each month or if you have multiple unit I can do your move outs/ move in's clean for you or any other I odd jobs that you may need done. I have excellent references for both housing and cleaning if needed. Feel free to contact me through phone or email. Thank you very much
