Adorable Pair Young Cats - Adopt Orange/White &/or w/Grey Tabby Buddy

This adorable young cat is a sweet boy, and is playful and curious. He has a beautiful orange tabby and white coat! He is also great helping around the house! His favorite chores are to help with sweeping and mopping - chasing around the mop and broom!! This boy loves affection. And once he knows you, he'll love for you to hold and cuddle him. He will melt your heart with his "silent" meows! He will also sometimes get vocal and chat away with you! He was rescued from an area near a very busy road but he much prefers a soft bed. He's looking for a safe permanent home to play and be loved. He is a little over a year old and was born last March.

His buddy is an extra handsome young grey tabby kitty with a beautiful coat of distinctive stripes, dots, lines, and swirling patterns. His personality matches his very striking coat and is very endearing! This grey boy is so very sweet, gentle, and loving. He likes to be held and made a fuss over - his little purr engine starts up fast! He loves to play, especially with a laser pointer. He gets mesmerized watching it go! He was rescued from the streets and is much too sweet to have been living rough. This sweetheart gives the sweetest little kisses and cuddles up with you! He was born in April 2014 so is just over a year old.

These wonderful young cats have been neutered and tested, and given shots, flea treatments, and deworming. The orange boy can be adopted solo or together with the grey for a special reduced price. Please call/text or send an e-mail if you would like to meet!
