

Drummer needed (uptown)

Location **Louisiana**
<https://www.genclassifieds.com/x-504997-z>

I need a good drummer for a jam session tomorrow with stand up bassist keys and guitar. All original stuff and great guys.

Must have dynamics and look for cues! LOL. Will be fun! Please text me name, number and BASIC info and I will text you back. I am hoping for an ongoing thing. If you can play in strange timing, or with brushes, even better!

If you are good, i will slip you a few!
