I rescued a mom cat and her kittens from a home of someone I know they're only a few weeks old they're tiny I understand honestly but the mom is really skinny and I'm bottle feeding them since I have a lot of experience with a lot of animal breeds I can't keep them at the place I'm living at since it's not mines the shelters are full and they won't have a chance at all to even get adopted with so many over crowded but here also I have to watch out for people trying to feed them to other predators so I'll do a lot research where will they be living and also a fee to make sure people are serious about them and won't kill them you need to bottle feed them and you have to have experience with them if you know a rescue please message me so I can look into that ... No hate mails please I don't have the time at all for negativity the photos included are from the house they were
