We have 2 female cats who both had kittens. Please contact me if you are looking to provide a good home to a kitten or 2. You are welcome to come look and choose as they are all different colors. They may be a little shy at first but they're not used to people yet. They are outdoor kittens and have not been to the vet yet. They're about 6-8 weeks old.
Only serious inquiries please.

UPDATE:

The white one is sold. I'm showing the kittens this Sunday at 10:30. Please email me if you're interested. It's first come first.
