Are you looking for a sweet girl who stops people in their tracks with her expressive eyes? Look no further, Jessie is the one for you. Jessie (A27937307) came to ACCT as a stray and although we don't know much about her, we're guessing she's a 1-2 year old petite terrier mix. Jessie knows sit and was very proud to show off her skill while getting her picture taken.

Jessie is looking for her fur-ever home where she'll be given a soft bed to sleep on, treats when she does something right and most importantly, someone who loves her. She is intelligent and focused and would greatly benefit from learning more in a home environment. Jessie is still young and if given the chance to shine, her possibilities could be endless. So what are you waiting for? Come on down and meet this sweet, young girl. One look into her pretty brown eyes and you'll see what we're talking about.
