This is a 8 year old brick ranch home. You'll have 3 bedrooms, a full (partly finished) basement and a 2 car garage. You'll enjoy the open floor plan between the large Great Room and Kitchen. The Great Room has wall-to-wall carpeting, vaulted ceiling and a gas fireplace. The kitchen is quite large with rich wood cabinets, ceramic flooring and stainless steel appliances. The master bedroom is quite a retreat actually with whirlpool tub, walk-in shower, walk-in closet and tray ceiling.

Additional features you'll appreciate include central air, an over-sized deck offering a beautiful view, wrought iron fencing enclosing the back yard and a full basement that could offer additional office space or a recreation room if you decide to finish the rest of the area.....although part has been finished already. This home is in immaculate condition.
