Hi there, I am a 1st grade teacher who is tutoring students (K-6) this summer in Math, Reading, and Writing. I currently teach in the surrounding area. I have 22 years of teaching experience and a Masters Degree in Early Childhood. My going rate is \$20 an hour and I am currently tutoring at the Bellevue Library (1003 Lincoln Rd. Bellevue, NE) M-F from 4:00-8:00 p.m. I enjoy working one on one with kids along with building their self-confidence and building a feeling of success for each child's learning style and ability. One of my biggest talents is being able to incorporate activities that are hands on and meaningful. I will help students increase their reading fluency, vocabulary, phonics skills, comprehension, and math skills. I look forward to working with you! Please contact me to set up a time to work with your. :)
