I am a mature female both, non-smoking and non-drinking, that is a very experienced pet care provider. While I specialize in cats and dogs, I also have experience in providing care for other types of animals from horses to ducks. My pet services include everything like the basic feeding and watering, walking, medicating, cleaning up after them, plenty of play time, and anything else needed for your special pets care can be added to this list.. My personalized home care includes, but are not limited to watering plants, adjusting lighting, bringing in mail and newspaper, etc. I am available for daily visits, or for overnight sitting in your home for added quality time with your pets and extra security to your home if desired. I will give your pets the quality attention that they deserve, and keep your home secure while away. I will send you updates by text or e-mail with pictures included to keep you informed and secure in the knowledge that your pet is safe and well cared for.

I have 4 dogs and 2 cats of my own, and have fostered 125+ dogs and puppies in my home since 2005. This has given me a great amount of experience with animals of all sizes, ages, varieties, and temperments.
