Are you taking a trip and have to leave your beloved companions at home? Don't want them locked in cages while you're gone? Want them to stay in the comfort of their own home, where they will be pampered and your home secure? I will take care of your pets and home and take the stress out of your trip so you don't have to worry. I love animals!!! I will give them the attention they deserve while you are away.

I have been sitting for all kinds of pets, both domestic and farm animals of various types, for years. I have 4 dogs and 2 cats of my own, and have fostered over 125 dogs and puppies for various Animal Rescue Groups since 2005. I've worked with animals of all sizes, types, ages, temperaments, and medical issues. I've worked closely with vet tech's to learn to handle medical techniques. I am a responsible, mature female that neither smokes or drinks.

I provide in home care for your companions. My services include feeding & watering, litter box cleaning, and waste cleaning. I provide exercise, entertainment, and affection for your pets while you are away. I can also bring in the mail and paper, water plants, and other requests to maintain your home's safety while you are away. I will send you updates and pictures by text or e-mail as often as you wish.

I am available for daily visits, or I can stay overnight at your home to give your animals that extra attention they want, and your home the extra security it needs.

Please call me at 222-8740 for more information on my services, rates, and references
