DESCRIPTION

Doral's newest luxury residence.

CITY is rated a "Green Community" by the National Green Building Standard. The facilities like the clubhouse and fitness center reflect a modern and environmentally conscious new world while offering leading edge training machines, large screen private movie theater, waterfall Jacuzzi and, for those of the spiritual nature, Zen Lounge and Yoga room.

The new homes feature European Cabinetry, all Gyaukko, Italian Finish and Best Quality Granite. Kitchenware in the Kitchen, Gas Stainless Steel Appliances, provide insurance, performance and modern appeal. The bathrooms are being armed and armored with 24" x 24" imported, limestone-like Porcelain tiles, while the master baths all have Deep Soaking Tubs. Ceiling fans and modern full size washer and dryers complete the picture.

The centerpiece is the expansive swimming pool. After basking in the adjacent sunning area, take a nap in your personal poolside cabana or comfy day bed. An outdoor kitchen and BBQ area are near it, but the sparkle of the sky-blue water will draw you back to our stunning pool year round.
