

Please help me find a bookkeeper (Detroit)

Location **Michigan**

I'm not familiar with this area, and I'm looking for a bookkeeper who is professional and experienced, who charges maybe around \$35 per hour. I am hoping a nice person would refer him or her to me, especially if you have personal experience using his or her services.

Please email me back, or call Tony at if you can help me find this person. Thank you so very.
