

# dispose of bed (Omaha)

Location **Iowa**  
<https://www.genclassifieds.com/x-505269-z>

I have a full size bed (or whichever size is below Queen, I am not 100% confident in my bed sizes) that I need to have hauled away. It includes the mattress, the box spring and the frame. Truthfully if someone wanted to use the bed they could, however the deliver date on the bed indicates that it was delivered in September of 1954.

I will pay \$20.00 to have it taken away.

Thank you for your.
