Remodel Experience

Location **lowa** https://www.genclassifieds.com/x-505270-z

Can you finish drywall, install trim work, and do other finishing work? Reach out to me if you have any questions. This is a great opportunity for you. This opportunity will not be available much longer.

This is not necessary a full time commitment. At a minimum 10 hours would have to be worked each week.

- Overtime equals free rent after the project is over (Room can be rented after that)
- South West Omaha Location (Millard Area) (Safe & quiet neighborhood)

This works well for someone who either need a lift up or want to save up money.

About the room:

I have one bedroom in a finished basement open. It's in great shape with newer carpet and paint. There is also a bathroom and laundry room available for you to use. (See picture) (Bed Not Included)

About the House:

First, this is NOT a party house. There is a calm and safe environment. The house is in a quiet neighborhood with great neighbors. You will find a drama free environment with privacy and support (if needed).
