Even stress! If you have been treated for depression, insomnia, anxiety, then you qualify to get paid monthly because of it.

Having a mental disorder is getting more and more common every year. The government has extended their list of eligible disability requirements in regards to mental disorders. Anxiety, depression, insomnia and even substance abuse qualifies you for disability benefits. Are you sure you aren't eligible?

Most people do not think they have a disability - just because you aren't physically disabled doesn't mean you don't qualify for the benefits. Mental disorders are classified as a disability. Even stress! If you have been treated for depression, insomnia, anxiety, then you qualify to get paid monthly because of it. See if you qualify to start getting paid now!
