13 Week old female German Shepherd boxer mix puppy. She is super sweet. Loves to give kisses. Great with kids and dogs. Not sure about cats. I would expect to be ok since she is still young. Love's to play. Knows sit command and is being potty broken. She is puppy pad trained. She is learning the leash. She's had her parvo shots and de worming. She is NOT fixed due to her age. Asking a re-homing fee. Would love for her to go to a loving nice home with children. Like I said...she loves to play! And she is super smart. Only serious people please.
