Can start immediately, I'm running out of time on a house that I'm selling....I need someone to install anti tip bracket on stove, tighten down toilet, minor touch up painting, properly secure dishwasher drain line,weed removal.

Job is in Apache Junction close to walmart.

I am seeking a responsible person with their own equipment to mow a tiny front lawn in summer and shovel snow in winter. Snowblower a plus but some hand shoveling will be required. Also, spring and fall driver up for tiny 6 back.
