GenClassification Handsome pure male Rottweiler for adoption (Hollywood, FL)

Location Florida https://www.genclassifieds.com/x-505398-z

I'm re-homing Turbo for someone who could no longer care for him. He is a really handsome dog with a great personality. He is about 2 years old, male, neutered, microchipped, up to date on shots, and has a Broward county tag. The re-homing fee to ensure good placement is \$75. He is very family oriented, lively, playful, smart, and never dull. He has amazing potential as a family dog. Turbo's adoption is backed by lifetime free at-home training support by a *qualified* dog trainer, boarding, and anything else necessary to ensure a good forever home.

We are looking for an experienced authoritative dog owner. Along with his great personality, Turbo is also untrained, stubborn (it's a Rottweiler trait), and needs a committed.
