Selling 2006 Dodge Grand Caravan with Stow & Go. Will consider trades of equal value. Van is Red with Grey cloth interior. Very Good Condition. Everything works very reliable vehicle. AM/FM/CD/MP3/DVD system with remote control. Rear Air condition. Dual Sliding doors. Quad bucket seats. 185xxx miles. Newer tires rotated regularly. Reputable mechanic provided all repairs and van has had excellent regular maintenance, records available. I (a person who said no way I would ever drive a mini-van) have loved this van for many years with only two kids at home now it is time to downsize. The Stow & Go is the best feature on this van in my opinion however if you ask my kids they would say the DVD system is the best feature. Any or all of the seats fold into the floor to provide a flat surface and when the seats are up provide extra storage space in the floor which comes in very handy when traveling. You can haul 4x8 foot sheets of plywood in the back with all the seats down. :D Prefer to do business via phone/in person so email me for my contact information or email me yours and I will give ya a call ASAP. Thanks for looking. You won't find a more reliable or well cared for.
