2 beardies with all supplies (Centreville)

Washington Location https://www.genclassifieds.com/x-505483-z

Rehoming my two beardies due to moving.

They are both in a 55g tank which comes with a stand which has doors for storage on the inside. Included as well is a screen top for the aquarium, heat light, heat mat, bowl and accessories.

They come with all that they need and nothing else is needed besides crickets and veggies.

\$100 rehoming fee for
