Ariel is a friendly girl who loves being petted and will rub up against you! She was living outside and had a litter of kittens. Now she deserves a home that will treat her as the "princess" she is! Easter was also found outside with kittens and is calm and sweet! They have been spayed, dewormed, tested negative for feluek/FIV, and are up to date on vaccines. They get along with other cats and people. Can be adopted separately. Adoption fee of \$50. Watch them here <http://youtu.be/c9O8KFuY1N0>
